Artists at Home looks inside the homes of great artists and examines how their interiors reflected and inspired their artistic spirit

essay from the year 2011 in the subject tourism grade merit Bournemouth University language English abstract there are different impacts that the development of tourism has on a destination for instance natural or environmental economical political or socio cultural the environment is one of the most important issues for the development and promotion of a tourist destination and also the most fragile Franco and Garcia 1999 due to the huge influx of tourists known as mass tourism the impacts of the development can be positive and negative positive economic

impacts are the improvement of infrastructure and the attraction of more investment in the area negative the increase of prices and of income inequality positive socio cultural impacts enhance the increase of cultural exchange and restoration of buildings negative socio cultural like immigration and assumption of the stereotypes of tourist and finally negative environmental impacts like noise pollution destruction of the natural environment huge buildings in natural areas overuse of water problems with the treatment of wastes water pollution by liquid waste destruction of historical monuments air pollution from the use of vehicles and heating changes in the landscape to promote activities entertainment and sports such as golf etc but not only mass tourism affects on the environment alternative tourism can also make an unsustainable use of resources garcia and sancho 1999 this essay will examine critically the natural impacts that the development of tourism has upon the destination lanzarote this spanish island is famous for its unique volcanic landscape and its biosphere reserve the island of lanzarote is within the 10 most popular islands of europe trivago 2009 and personally one of my favourite travel destinations due to family reasons 1606 words

the relationship between contemporary architecture and nature is fundamental to today s creativity some architects reject nature or imagine that they can create an artificial world of their own while others are seeking new ways aided by science and the computer to chart new directions for the buildings of tomorrow from ecologically oriented designs to the most astonishing new forms this book shows how essential nature remains to architecture book jacket

a guide to the canary islands in a convenient pocket sized format introducing the reader to the islands history people culture wildlife and economy it contains information travel tips and recommendations on where to stay and where to go tourist attractions are highlighted and other important areas are graded on a three star rating special fact panels feature facts and figures while the at a glance sections offer useful recommendations the text is complimented by photographs charts and tables and easy to read maps and town plans which highlight scenic routes and pinpoint places of interest

discover the rich cultural and artistic heritage behind the sun sea and sand traditionally associated with spain abundantly illustrated with full color photos and 80 detailed city and local maps the guide describes hundreds of spain s varied attractions with two summary maps highlighting the principle sights and recommended touring programs

providing an exploration of some of the beautifully built structures this book serves as a travel guide

this guide features gran canarias cosmopolitan rural and historical attractions plus the dramatic volcanic lanscape of mount teide national park and beautifully preserved old colonial towns of tenerife

this comprehensive and practical travel guide to spain offers suggestions on what to see and what to do background on history and culture of the country it includes maps and itineraries making the planning of trips easier
